

Time limits for oral session speakers

	Presentation	Questions & answers
Keynote speaker	50 min	10 min
Plenary speakers	40 min	10 min
JTK Young session speakers	30 min	10 min
JTK Main session speakers	20 min	5 min
JTK/JSME Oral session speakers	12 min	3 min
JSME Symposium session speakers	17 min	3 min

During your talk, you will receive a signal at 5 minutes-to-go, then a second signal at 2 minutes-to-go, and at the end of the above presentation time slot. Time limits are critical and need to be followed in order to keep the symposium on schedule and to ensure a fair go for other speakers and the audience. The Session Chair will help ensure that you stay on schedule during your presentation.
